In all processes related to our trade shows, we strictly follow the measures and directions stated by the Ministry of Health of Turkey as well as the global guidelines and recommendations of UFI (The Global Association of the Exhibition Industry).

We will be pleased to welcome you at **MAKTEK Eurasia**, the biggest meeting of the machinery sector in Eurasia, which will be held at **Tüyap Fair Convention and Congress Center - Büyükçekmece on August 31 - September 04, 2021**, on its new date.
